### 2026 AP Exam Prep

#### Trial Classes

Join us for our **AP Trial Classes** on **May 24 & May 25!** Explore dozens of **AP courses**, including **Psychology, Statistics, Macro & Micro Economics, Computer Science A, Physics, Calculus AB & BC**, and many more. Take advantage of our **early bird perks**, plus a **free pre-exam crash course** to help you kickstart your AP journey with confidence. Don't miss out — secure your spot today!

### Summer in Vancouver

We're excited to introduce our new instructor for **AP Macroeconomics & Microeconomics!** Currently in a **PhD program at Simon Fraser University (SFU)** and possesses a **Master's degree from the University of Toronto (UofT)**, Aaron brings a wealth of knowledge and academic excellence to the classroom. His thorough understanding of the topics coupled with his can do attitude makes him an extraordinary teacher. Be warned, he will push you to achieve excellence. His approach to teaching is tough love, he will help you build a successful foundation to become a better learner. Don't miss the chance to learn from one of the best!

# 加星课后部 名师介绍

#多大经济硕士

#擅长AP经济教学

## CSA Art Academy

### Donor Wall Volunteer

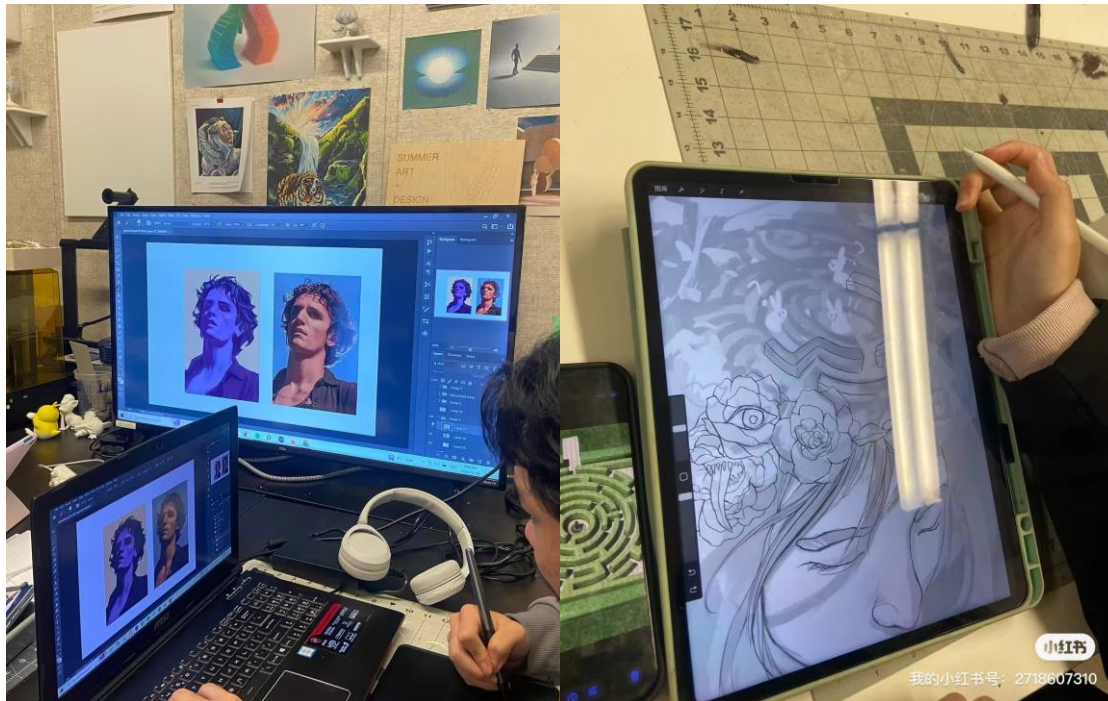

Looking for volunteer hours? Want to be part of something bigger? Want to express yourself creatively?

Join our Donor Wall project!

We're looking for volunteers to meet three times between now and the end of the school year to help complete the Donor Wall.  
Let's showcase your creativity!

## AP Art Program

We're excited to offer **AP Art Credit** for **AP Drawing**, **AP 2D**, and **AP 3D** courses! In addition to earning valuable college credits, students will also benefit from our **Portfolio Prep Program**, designed to help showcase their best work. Whether you're looking to build a standout portfolio for university applications or simply want to enhance your art skills, our expert instructors will guide you every step of the way. Start your creative journey with us today!

## Art Camp

Want to pursue a career in art or dabble in the world of professional artistry? Join our team of experts for a week-long camp exploring various modern modes of artistic expression, from 2D drawing to 3D printing. Discover the world that emerges when brush and pen meet screen and stylus. Unleash your creativity with us!
